Return Policy

Anatomie will gladly accept returns of full priced, unworn, unwashed, unaltered merchandise, non-final-sale styles with all tags attached for refund within **30 days** from the time the order was received. Terms apply.

All Items marked "**FINAL SALE**" are non-returnable for refund or exchange.

Any accommodations made after **30days** will be applied towards an immediate replacement order. Accommodations may exist for Essentials, exclusive of White Styles.

Merchandise returned with stickers or items needing to be cleaned or retagged will incur a 10% restocking fee.

A Credit may only be applied to an existing invoice matching the return item to and from that account holder; exception applies for damaged items.

A Return Authorization (RA) form is provided by Anatomie and must accompany the merchandise in the box. Please provide Invoice # at time of request. The return shipping costs are at the expense of the account, unless damaged or errors on behalf of Anatomie.

Exchanges may be made as a new order with shipping costs applied. To initiate an exchange or request a return, please contact your sales representative.

Returns are accepted if they meet our return policy requirements. These requirements are set in place to prevent the return of personally damaged or used garments and to assure the high quality of our products.
